The Perfect Start

AGM

BLIZZARO Start-Stop AGM series are developed in Inci GS Yuasa's facilities. These superior technology products have unique performance, agility, high cycle life and minimum water loss. AGM series are specially designed for top segment Start-Stop vehicles with regenerative braking system.

Product Features

- Maintenance Free
- Inside the lid flame arrestors
- Up to 4.5 Times more cycle life⁽¹⁾
- Minimum Water Loss
- Pressure Controlled Special Valves
- Glass microfiber separators
- Compatible with regenerative braking system in new generation vehicles
